WRITING

№2

Once upon a time, I was planning to give my friend a surprise. To start with, my friend is really funny and cheerful person. Her name is Dasha. She is 14 years old and she lives on the north of our country. She likes to play volleyball and walk with friends.

On August of last summer Dasha needed to go to home, so I decided to give her a surprise. I planned to make it when we will walk together. I had bought a present for her, which included tasty food (chocolates, marmelades etc), a letter from me and some different things, ~~to~~ which she likes.

So, one day we met and went to the park. And suddenly I gave a present for Dasha. She was really happy at that moment. She feels happiness and some sadness, because on the next day she had to fly at home. Other people at the park had seen my surprise and on their faces appeared smiles.

Now, Dasha^{is} situating at home. We often remember this story and smile. Dasha keeps my present in special place and feels happiness, when she sees my surprise.
